

# EFFECTIVE CREDIT UNION TRAINING & RESOURCES

## COOPERATIVE EDUCATION

Cooperative Education offers tailored training and signature programs to meet the unique needs of credit unions, focusing on supervision, management, and leadership development.

Combining traditional in-person training with flexible virtual options, these programs ensure CCUA members have the skills to thrive.

From signature professional growth programs to BSA training and partner-led sessions, Cooperative Education supports career development for staff at all levels—from front-line employees to executives and board members.

## Why Cooperative Education

### Deep Industry Experience

Led by an experienced educator with decades of industry expertise, sessions are delivered throughout the year and provide exceptional value to member credit unions.

### Learning Solutions Platform

Access top-rated, on-demand courses in compliance, leadership, development and more through the Cooperative Education Learning Solutions Platform.

### Custom Programs & Volume Pricing

Custom training lets you design courses tailored to your credit union's needs, available in-person or virtually, with volume pricing options—contact us for details.
